Our General Terms and Conditions apply, available a <https://trendsupwest.com/aussteller-center/agb/>

Joint stands (i.e. several exhibitors on one stand) **are not permitted** (see points 5 and 6.4 of the General Terms and Conditions), as it is **not** a question of **pure space rental**, but a **total package with some included services**. Trade agencies that have several brands and exhibit under agency names are permitted.

* Due to the location, slight deviations are possible for individual stand areas. We will point out these deviations directly when selecting the individual space!
